

PROCLAMATION BY THE GOVERNOR, VETOING AND DIS-
APPROVING SENATE BILL NUMBER 316.

TO THE HONORABLE SECRETARY OF STATE:

This is to advise that I have this 5th day of April, A. D. 1917, officially vetoed and disapproved Senate Bill Number 316, passed by the Thirty-fifth Legislature, same being an act to amend Article 883 of the Revised Statutes of 1911, my reason being that this bill permits the issuance of interest bearing certificates without submitting same to a vote of the people. The bill is, therefore, disapproved and vetoed.

Jan. E. Ferguson
Governor of Texas.
